This is a BYOB affair. Music outside will be provided by The Zig Zag Duo. Doors will be kept open to allow good air flow and encourage people to mingle outside.

SMOKE DETECTORS, FIRE ALARM, AND OUTSIDE FIRE ALARM PULL BOXES AND EXTINGUISHERS

With many new residents, we thought it prudent to repeat the information about this important subject. Every unit has

smoke detectors in each room that will sound if you have smoke in your unit. The smoke detectors in your unit are your responsibility to keep in good operating order. If you have a fire in your unit, your smoke detector should go off. If there is a fire in your unit, you should go to the outside walkway and pull down the handle on one of the red fire alarm boxes.

Sweet May hath come to love us. Flowers, trees, their blossoms don. And through the blue heavens above us, the very clouds move on.

There are four of these in each building, located at the ends of the upstairs and

downstairs walkways. This will automatically sound the building-wide fire alarm located in your great room, and contact our

monitoring service who will immediately contact the fire

department to come to Belle Haven.

There are fire extinguishers located in the outside walkways in each building. These are heavy and should be used with caution.

The elevators in our buildings may be disabled during a fire. Anyone who is handicapped or has trouble navigating the stairs should make arrangements with a neighbor in their building to assist them down the stairs during an emergency. Neighbors, please reach out to anyone you think would

need assistance and make arrangements to help them during an emergency.

UNIT KEYS FOR COASTAL

Our condominium documents allow access to your unit during reasonable hours when necessary for maintenance or repair, or when professionals need access to your unit in an emergency like a water leak, fire or electrical emergency, police entry, or personal medical emergency. If you are a new owner, changed your locks, or simply aren't sure if Coastal has a copy of your key, please contact Linda at the Clubhouse office, Thursdays from 1-5 PM. Linda will be reaching out to you if she presently does not have a key. These keys are kept in a very secure location with very limited access.
