## BELLE HAVEN WEBSITE

With quite a few new owners in Belle Haven over the last year, we thought some information about our Belle Haven Website <https://bellehavencondos.com/> is in order. You can find Association Documents such as Condominium Declaration, Bylaws, Rules & Regulations, Architectural Guidelines (for exterior lanais including screen door installation on lanai, emergency key lockboxes, replacement windows, retractable screen for front door, and door hardware), a resident directory, meeting minutes, BH financials, information about the clubhouse and pool, and how to make online payments of your HOA. Protected documents / financials will need a password; Maria

Armesto or Linda Skinner of Coastal Management can provide you with that information if you are an owner.

## HURRICANE PREPAREDNESS

We are into the peak of the Atlantic Hurricane Season. You can get information about how to be prepared if a hurricane visits our area at:

<https://www.sjcemergencymanagement.com> to download all kinds of important information like evacuation maps (we are in Evacuation Zone C), checklists, shelter information, and a hurricane preparedness guide (<https://www.sjcemergencymanagement.com/pdf/SJC-Hurricane-Preparedness-Guide.pdf>).
